

Bolnhurst & Keysoe Parish Plan - Initial consultation

A Parish Plan is an opportunity for the whole community to voice their opinion on what action they wish to see taken in their local area in the future. For this to work we do need the views of everyone

Please keep answers as short as possible, ideally as a single sentence. If you have additional longer considerations, please send these back with this questionnaire, but the main aim of this initial document is to collect statements from ALL residents on what makes and shapes the Parish, and how we should plan it to be over the next few years.

Please think about what you like, what you would like more of; what you dislike, and what you would like to see less of.

It is not necessary to answer all categories, there is space for other areas not listed.

All residents can either answer together or separately on one or more sheets

Responses can also be made by email to ????@keysoe.info

or using the form located at <http://www.keysoe.info/????.htm>
